## Pure and Simple, Inc.

Pure and Simple Inc. of Palm Springs introduces its new skin care line for men, Hi-Rev Skincare, with skin care steps numbered in "gears" for easy step-by-step use at home. One of the most distinctive of the new products is "Reverse Gear: Eye Therapy Gel" to help men begin to reverse the appearance of aging around the sensitive eye area. For more information, please call 800-266-4647.

## DermaQuest

This light serum penetrates rapidly into the skin, providing men the hydration they need without the greasy feeling they dislike. Not only does the Advance B5 Serum provide extreme hydration, it also helps strengthen and protect the skin with DNA repair components and the powerful marine-derived ingredient MDI Complex. For more information, please call 800-215-8100, or visit [www.dermaquestinc.com](http://www.dermaquestinc.com).

This works.

So does this.

## G.M. Collin Laboratories

Because men's skin differs from women's (thicker, less smooth, and with a higher secretion) and because it is exposed daily to shaving, which causes a forced exfoliation, G.M. Collin Laboratories has developed a dermo-corrective skin care program specifically formulated for men and perfectly adapted to their needs. HOMME, a unique association of chrono-energizers (copper, zinc, and magnesium) and trace elements (rich mineral algae and green clay) with a purifying aromatic complex of essential oils (orange, palma rosa, clove, commint, geranium, and sage) to help protect and energize the skin. For more information, please call 800-541-1531 or visit [www.gmcollin.com](http://www.gmcollin.com).
